Beaumaris Boulevard, Ocean Reef WA 6027

## SHOWCASING THE WIDE SPREAD BEST PRACTICE AT BEAUMARIS

Last Friday we had the staff from Ocean Reef Primary School visiting our classrooms to see high quality teaching and learning on their school development day. They were particularly interested in the development of our whole school approaches across the school in literacy, numeracy and student engagement. These are areas that we have been improving steadily over the past five years, and the benefits are now being realised with improved NAPLAN scores across the board.

It is a joy to see that no matter which class we walked into, the teaching and student engagement was of a very high standard. The Ocean Reef staff were able to see a clear lesson structure, differentiation of the program, integrated use of technology, evidence of high quality teacher questioning, supportive relationships and a well-structured and safe learning environment. I would like to commend the entire staff for their commitment to excellence in all that they do, and for consistently contributing to the excellence we are now well known for.

I would like to sincerely thank the following staff for their preparation for the day: Mrs Maria MacNeil, Mrs Kerry Skillen, Mrs Riana Whitney, Mrs Chantal Lemmer, Mrs Janet Gillespie, Mrs Carrie Jarman, Mrs Emma May, Mrs Chris Greeshaw, Mrs Tarryn Stewart, Miss Cara Letcher, Mrs Maree Page, Mrs Suzy Lamb, Mrs Rebekah Brand, Mrs Nicole West and Mr Rob Edwards. **A great job everyone!!**

## OPTIMINDS CHALLENGE THIS WEEKEND

We are sending two teams of students (one Year 5 & one Year 6 team) to participate in the OptiMINDS Challenge this Saturday at Curtin University.

Mrs West has been working with these students over the term and we are looking forward to this event. The students will participate in long term and spontaneous challenges throughout the day. ### **URGENT: VOLUNTEERS STILL NEEDED FOR THE P&C SHOP**

- Do you use the P&C shop?
- Do you have 1 hour a week that you can spare?
- Kathryn and Wendy have been running the P&C shop for the last 3 years, but they are having to step down as all their children are leaving BPS at the end of this year. To enable the P&C shop to continue we need some volunteers to come forward and run it.
- The shop can be open any morning between 8am and 9am, and the volunteers can select the days that work for them. Ideally 2-3 people are required to man the shop every time it is open.
- This role is a great way of meeting families at the school and is very easy. The shop is not only a great facility for BPS families it is also a major fundraiser for the P&C.

If you can spare one hour a week please contact the P&C at:
