BON VOYAGE & HAVE A GREAT TIME

Our Sydney/Canberra tourists fly out tomorrow for the experience of a lifetime, led by Mr Offer, Mrs Skillen, Mrs Williams and of course, Grinder! They have had good falls of snow which will provide a lot of interest and interesting opportunities no doubt! Have a great trip everyone!

The School would like to thank **Australian Universal Building Supplies** (A.U.B.S.) for donating beanies and water bottles to our 21 participating students. **Thank you.**

We shall be receiving feedback from the campers which we will place on the school web site for parents to read (<http://www.beaumarisps.wa.edu.au>).

The remainder of Year 7's bus out to Logue Brook next Monday, with Mrs Parsons, Mr Hamilton, Mr Guile and Mrs Bunting, for a week packed with challenges, activities and new experiences! Enjoy everyone!

Our Year 6's will undergo a week of challenges, thought and skills development in relation to teamwork, leadership and personal aspirations. Their week is packed with: new challenges and experiences at Point Walter; IT challenges; Leadership research and sketching; Enterprise Education; Guest Speakers; and other individual and teamwork challenges. *A Program for all year 6's accompanies this Newsletter.* Again, enjoy everyone!

Last, but not least, is the Junior School Leadership Week activity – 'Yellow Hat Week!' The Yellow Hat represents one of the six 'De bono Thinking Hats' focusing on benefits and values. Development of thinking skills is part of our overall strategic vision in 'Developing a Learning, Thinking and Caring Community.' Have a great time everyone! Thanks to Mrs Elkington for the concept and organisation!

'AUSTRALIA' SCHOOL MUSICAL

A copy of the Year 4/5 Musical—"Australia" is now available to borrow from the Middle School teachers. If you wish to have a copy of your own, please inform your child's class teacher and they will arrange an overnight loan for you so that you can burn a copy for your own family use.

SCHOOL REQUIREMENTS 2010

School Requirement lists were issued to every student at the end of Term 3. If you are taking advantage of ordering through the School, then all orders and payments must be in by **Friday 6 November**. All payments are to be made at the School Office between 8:30am and 3:15pm each school day.

MASSED CHOIR FESTIVAL

If your child participated in the 2009 WA Primary Schools' Massed Choir Festival at Winthrop Hall, UWA, then you might be interested in purchasing a professional photo of this event. We have a copy of this photograph in the school Office for students and parents to view. Parents are to place their own orders through to the Photographer by **4th November**. Order forms are also available from the school office.

WALK TO SCHOOL

As part of the state wide campaign to promote physical activities, Beaumaris is holding its annual '**Walk to School Day**' on **Wednesday 4th November**. Participants will receive stickers for being part of the event. We encourage parents to join in and accompany children to school. If that isn't possible, please ensure Students participate in groups and not alone, as a safety precaution.

PARENT ASSEMBLY

It's your turn to "shine". We are looking for parents (mums and/or dads) to participate in this year's "Parent Assembly" scheduled for **Wednesday 25th November**. Get your 15 minutes of fame and your children will be so proud (or embarrassed) of you. Please come along for a rehearsal on Wednesday 28th October (next Wednesday) at 1:40pm in the Undercover area. If interested, but unable to attend this rehearsal, please give Sarah Rawlings or Kate Press a call on 0408 946 093 or 0407 996 885 respectively.

CANTEEN

Some days Mrs Prosper really needs more parent helpers. We ask that if you can commit a small amount of your time to helping in the Canteen. Even if it is 30-60 minutes per month or term? Anna will organise the roster. Please make contact with Anna Prosper by ringing 9300 6444.

Please also SUPPORT your school canteen! Mrs Prosper has a great menu, which is constantly being adapted to balance Canteen Policy Legislation and student preferences. Your ongoing support ensures a successful service to all students!

MELBOURNE CUP

Not that I have been a regular Cup winner...but...my tip for the Cup is **C'est La Guerre**, Tuesday 3rd November..... and...**Scenic Shot** for the Cox Plate, Saturday the 24th October, both at good odds!

YEAR 7 IMMUNISATION

Year 7 Girls will undergo immunisation for the prevention of Cervical Cancer, as part of the national program, on Thursday morning, 5th November. The Immunisation Team will also catch up on those students who have missed out on the Hepatitis B and Adacel.

P&C MEETING

Our next P&C Meeting is this Monday, 26th October, commencing at 7:00pm in the Staff Room. Please come along and join our busy group. We will need all the help possible for large projects in 2010, especially air cooling the new teaching blocks! It's a fun group so come along and enjoy!

COSTUMES AND PROPS - BEAUMARIS PERFORMING ARTS CENTRE

Many thanks to Mrs Wallman and Mrs Irene Raison for all the effort in clearing up the Green Room resources! Mrs Wallman has now started a Costumes & Props Club, which meets each Tuesday Lunchtime, in the Green Room, to maintain, develop and coordinate all resources!

BUILDING EDUCATION REVOLUTION

Six months of inconvenience and common sense!

The Federal building program activity is starting to crank itself up with workmen busying themselves like 'roo dogs around a rabbit!' Again, this means lots more vehicles, people and traffic congestions. We have already had vehicles stopping and parking in NO PARKING zones, children dropped off carelessly so they walk directly in front of other vehicles, cars parked on the verges, cars double parked and lots more.

Please people! I implore you...use some common sense before we have a critical accident. The situation is serious and I have real fears that careless drivers will place walking distance ahead of student safety! There is nothing wrong with parking and walking from further away...it is safer!

This is the first and final official warning this term. From now people putting lives and property in danger will have their registration numbers taken and reported to the Rangers. Please help us keep YOUR children safe!

**REMEMBER: STOP...THINK...DO...
the right thing!**
