Welcome back

Welcome back everyone from your July School holiday break. I hope you are all refreshed for what is going to be another busy term.

A very warm welcome to all our new families and students who commenced school last week.

What's happening this term:-

School Photos	Interschool Cross Country
Maths Competition	Year 7 Immunisation
State Cross Country	Achievers Camp
Book Week	P&C Disco
Faction Field Events	Kindy Fathers Night
Faction Carnival	Interschool Field Events
School Open Night	Interschool Athletics

Kindergarten 2010

Applications for Kindergarten Enrolment are due in now. This school still has places available for 2010. Please call into the school office to complete the necessary application form.

Syd/Canberra & Logue Brook

Final payments for both year 7 camps are due by the end of this Term.

School Photos

Class and portrait photos are scheduled for next **Tuesday** for years PP to Year 7. Kindy photos will be on **Monday** and **Tuesday**. Please ensure your child is wearing the correct school uniform on these days.

All Order Envelopes **need to be in by tomorrow morning** please.

P&C Meeting

Our next meeting is being held in the  staff room on **Monday 3rd August at 7pm**. We would love to see some new parent faces amongst the "old" ones. Please come along, find out what's happening and what's going to happen around the school.

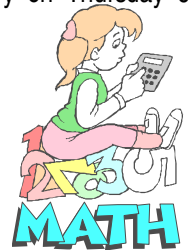

Kindy Assembly

The scheduled Kindy Assembly on the 12th August has now been postponed until Term 4. It will now be held during the Kindy Graduation night later in the year.

Westpac Maths Competition

105 students from years 4 to 7 have nominated to participate in this year's Maths Competition which is being held in the school library on Thursday 6th August.

Good luck to you all.

Building Education Revolution

The \$3,000,000 building program for our School has been approved. John Holland Pty Ltd has been appointed as the builder and preliminary site inspections will take place over the next few weeks. As with all building programs there will be some disruption to the school. However every effort will be made to minimise the effect on the students learning programs.

We are excited about the prospect of the new buildings and the long term benefit for the school.

Re-Enrolments

Recently a Re-Enrolment Application was issued to all our *existing* Kindergarten students. The return of this form is essential for offering your child a place in this school's Pre-Primary Program for 2010.

Please ensure this form is returned as soon as possible, or alternatively an advice that your child is not applying for re-enrolment and will be attending another school next year.

BEAUMARIS OPEN NIGHT!

This is another **early notice** for parents regarding early closure so they can make the necessary supervision arrangements, as soon as possible.

Each year the school restructures one day to open up the school to the community as well as a performance, in the evening. This year our **'Open Night'** will be held on **Wednesday 16th September**. On this day, school will close at **12:00 noon** and reopen at 5:30pm, when classrooms will also be open for families to share what students have been doing.

The students will be your tour guide; to classrooms as well as Art and LOTE displays. Commencing around 7:15pm will be our annual **Musical Soiree!** Students will be performing in choirs, instrumental bands and the like. The evening will conclude around 8:30 – 8:45pm.

Please note the evening on your calendars and make any additional supervision you require for the restructured school day.

VACSWIM ENROLMENT

Western Australia's location, climate and close proximity to beaches, rivers and swimming pools makes swimming a natural pastime. However, the real advantage of being able to swim is to stay fit and healthy and to ensure greater safety in a range of aquatic environments. VACSWIM classes build on and further develop skills, attitudes and understandings learned during In-Term Swimming lessons.

Last year more than 50,000 West Australians enrolled in VACSWIM classes over the October and Christmas school holidays, the largest enrolment in a vacation swimming program in Australia.

Every person should learn to swim properly and develop essential water safety skills—VACSWIM creates that opportunity for all students 5 years old and over

Every family in the school will receive a Vacswim Program booklet. You can enrol online at: det.wa.edu.au or post the completed Application Form (*in booklet*) along with the appropriate fee direct to the Vacswim Office.

Applications for the October School holidays closes on the **2nd September** and Applications for the January Program closes on **11th November**.
