

Beaumaris Primary School

Beaumaris Boulevard, Ocean Reef WA 6027

FROM THE PRINCIPAL:-

Recently our school was selected to participate in a field test consultation for a proposed new public school review process.

The intention of this new process, announced by the Minister of Education and Training in December 2017, will be to provide assurance to our school community and the system that all schools are performing to expectation.

As part of the process we have been given the opportunity to try out a new and innovative school self-assessment electronic based application. We have been working on our school self-assessment using the new application over the past two weeks and will be submitting the completed version this coming Friday.

Next week the 8th March 2018, we will be visited by a Public School Review team comprised of a Director, Schools Review and a co-opted school leader who will speak to school leaders, a range of teachers and school community members, including School Board representatives.

We are pleased to be part of this field test, as I believe our school will benefit from our involvement.

KINDERGARTEN APPLICATIONS 2019

We are now taking Applications for Enrolment into our 2019 Kindergarten Program and will do so up to the close off of **Friday 20 July, 2018**. If you have a child turning four in 2019 by the 30th June, 2019, then they will be eligible for a place in our Program.

Please complete the Kindergarten Application for Enrolment form, available on the school website or call into the school office and collect one.

All Applications **must be** submitted with a copy of your child's Birth Certificate, a copy of their current ACIR statement (Immunisation records) and proof of your residential address (copy of a utility account etc).

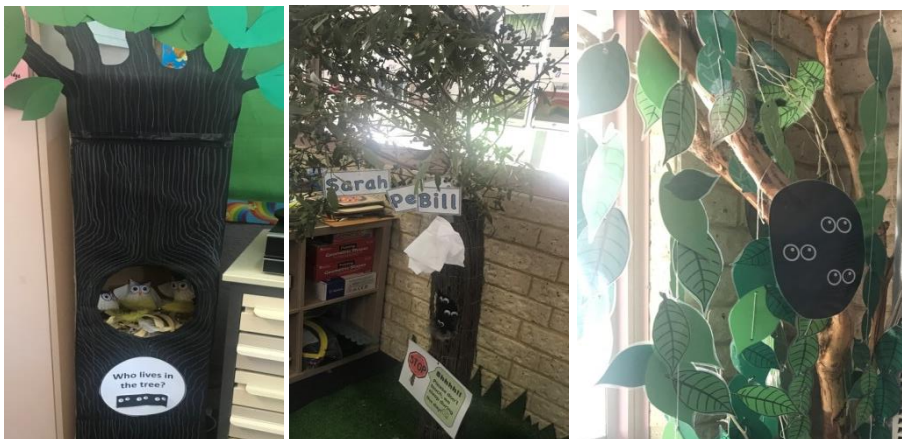

'TALK 4 WRITING' IN YERDARAP

Students in Yerdarap got very excited last week when trees and feathers all of a sudden appeared in their classrooms. It was the introduction to their new Talk 4 Writing text, "Owl Babies".

TEN A DAY

At Beaumaris PS we have a whole school approach to mental mathematics. When the doors open to classrooms in the

morning students have the opportunity to complete mathematics problems and apply the mental strategies that they have been taught during mathematics lessons. It is a great way for students to consolidate their learning and gain fluency with the mental strategies they have been taught. It also gets them ready and focused for learning for the day.

YOUR VOICE — YOUR CHANCE — YOUR P&C

The Annual General Meeting for your P&C is on **Wednesday 21 March** and nomination forms for all office bearing positions and committees are available from the front office or on the link on the school stream app. Your nomination form needs to be **returned by Friday 9 March**, to the P&C Box in in the front office.

- If you are interested in receiving any further information on any of the positions then please feel free to contact the current office bearer for more information.
- You can nominate yourself for any position.
- Please remember that each committee will also require members, so even if you do not wish to 'run' a committee you can still take an active role within the P&C on any particular committee that interests you. The Social and Fundraising Committee, for example, needs a total of 12 members. Again please feel free to contact the committee convenors to get more information on what is involved.

We are a large school and every little bit of help from members of the school community never goes astray. Getting involved makes a huge difference and your children also get enjoyment knowing that their mum and/or dad are helping out! Parents who do get involved with the P&C do so for many years, as the satisfaction and friendships made are enormous!

The current 2017 P&C committee members and the School wish to thank you all for your support.

DADS' GROUP

The first Dads' Group event for this term is open to all our dads or granddads or male carers and their children. **To reserve your place, BOOKINGS are ESSENTIAL, as no cash will be taken on the day and numbers are limited.**

Premier Martial Arts and Fitness Academy is going to provide professional instruction on jabs, crosses, push kicks and roundhouse kicks. This is a 'real hands' on event and to see the children's eyes light up when they are encouraged (and allowed) to "kick or punch" Dad – *priceless!*

Where: *Premier Martial Arts and Fitness Academy*

50 Boranup Avenue, Clarkson , WA 6030

When: Saturday 10th March 2018

Cost: \$5 per child (Dad's FREE) That includes a sausage sizzle and drink as well!

Time: 1:45pm – 4pm (*ready for a 2:00pm start*)

Register: <https://www.trybooking.com/book/event?eid=355008&>

Always a fun-filled day for dads and the kids!

Don't forget to register early so not to miss out.

EASTER 2018
