

## **BPS - Welcome Back and points of interest & parent information**

*Sent via app and email Monday 29<sup>th</sup> April*

**Welcome back** to school for Term Two and a special warm welcome to all our new students who started with us today.

### **New Fencing/new system**

**Commencing today**, all perimeter pedestrian entry gates into the school will be closed at 3:30pm each day, except a new pedestrian gate next to the drive through Staff Carpark on Beaumaris Boulevard. There is no longer any access to staff car parks for parents, unless Administration approval given.

Students are also to be reminded that they need to go directly home at the end of the school day unless they are under the direct supervision of their parents.

### **Cyber Safety**

Parents, it has come to our attention that the use of instant messaging has created some upset to other students over the holiday break. As usual, we remind everyone to apply diligent supervision. Thank you.

### **Woolworths Earn & Learn**

The collection of stickers from Woolworths commences this coming Wednesday. Please start collecting or placing your stickers in the boxes provided up at Woolworths Currambine and Lakeside Shopping Centre. Each family will receive a sheet to place their initial stickers on and this sheet, once full, can be returned to the school office. After that, all stickers should be dropped off to the collection boxes or school office.

The school can pick and receive an enormous amount of new equipment in the areas of sport, mathematics, arts and crafts and much more, depending on the number of stickers we collect over the period of the 1st May to the 25 June. Please ask your friends and family to collect the stickers for you as well. *Thanking the school community for their support!*
