

MUSIC BINGO

1. Complete all activities in one row.
2. Complete all activities in one column.

3. Complete 5 activities on a diagonal
4. Complete both diagonals to make an X.

Create a dance to a song you enjoy.	Listen to your favourite song. Draw how it makes you feel.	Create your own sound effects for this <u>video</u>.	Design a new instrument and draw it. Describe what it would sound like.	Hop in place while singing the alphabet.
Learn to whistle a song of your choice.	Have a singing conversation with someone for 5 minutes.	Sing a song you know as loudly as you can (without yelling).	Play name that tune with someone. Take turns at humming songs you know and try to guess what they are humming.	Make up new lyrics to a song you know.
Ask a family member about their favourite music and why they enjoy it.	Play forbidden rhythm with someone. (Don't clap this one back.)	Create a song using objects you found around your house (eg pots, pencils, chairs).	Listen to <u>La Primavera</u> by Vivaldi and draw a springtime picture.	Learn this <u>cup groove</u>.
Sing <u>We Are</u> from last year's Music Count Us In.	Create a song on <u>Chrome Music Lab</u>	Listen to <u>Nuages</u> by Debussy. Watch the clouds as you listen if you can, or close your eyes and imagine the clouds moving in the sky.	Do a GoNoodle or Just Dance video on YouTube .	Write your own 4 bar rhythm (16 beats) and perform it for someone.
Watch <u>Rhapsody in Blue</u> from <u>Fantasia 2000</u>.	Sing a song you know as softly as you can (without whispering).	Learn to dance the <u>Charleston</u>.	Create a song on <u>Incredibox</u>.	Listen to a song and keep a steady beat using body percussion or an object.
